

## QUICK GUIDE: Finding Past Reports Finding Early Childhood Family Education, School Readiness and Screening Reports from Previous Years

The Minnesota Department of Education (MDE) produces brief reports on its early childhood programs, which detail information about participation, program services and program results. The data is available by early childhood program and year.

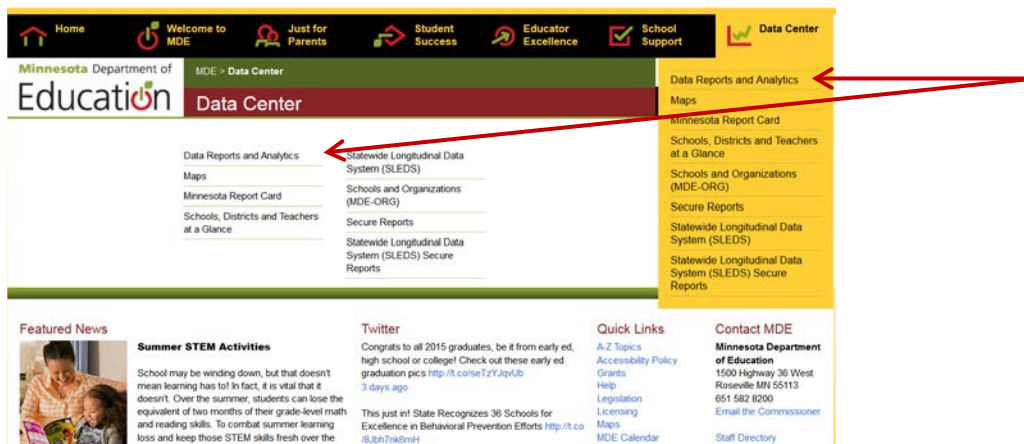

An interactive search for aggregate data for a specific county, school district, early childhood program or fiscal year is available for Early Childhood Family Education (ECFE), Early Childhood Screening and School Readiness.

**Step 1:** Go to the Minnesota Department of Education website:  
<http://education.state.mn.us/MDE/index.html>

**Step 2:** Click on Data Center in the top tool bar.

**Step 3:** Click on Data Reports and Analytics (either in the drop down menu when you hover over Data Center, or on the Data Center page).

**Step 4: Scroll down and click on Early Learning Services (ELS).**
